

A Moment Between Eternities

Louis Colaianna

Entrancing with its passion, his music will encompass your being allowing you to experience emotion in waves. Influenced by the works of such immortal composers as Beethoven, Mozart, and Rachmaninoff, Louis Colaianna intoxicates with their same passion, complexity, and enchantment. Described by Scott Taylor, Veteran Radio Consultant and Award Winning Programmer, as an, "Incredible composer and performer with a touch of Tesh, Brickman & Yanni all rolled into one. His music is both soothing and uplifting, allowing the senses to feel every note."
