GoFundMe page set up for family of suspect in Michelle Wilkins Attack

"Thanks very much for reaching out to the Wilkins family. No, the family was not aware of the site, but they have no issue with money being raised to help the family in question who are also victims in this tragedy. We appreciate you providing us with this information."

For the many people who continue to generously reach out to assist Michelle with her recovery and expenses, they can contribute online at a social media site set up by her family:
